

Who we are...

International Needs Australia is an aid and development organisation, which aims to break the cycle of generational poverty and restore dignity to people in developing nations. We support the Millennium Development Goals and work with our partners in over 35 countries around the world, to achieve sustainable outcomes in the following areas:

Human Rights and Advocacy	Education
Livelihoods and Food Security	Health
Capacity Building	Vocational Training
Water and Sanitation	Micro Enterprising

International Needs was established in 1974, with a goal of networking international partners in evangelism, discipleship and community development. In June 2003 International Needs divided into two distinct bodies to differentiate between its evangelistic and development activities. International Needs Australia is the development body.

We support programs that are locally led, locally driven and culturally appropriate. This means that entire communities participate to determine what needs to be changed to allow each member to reach their full potential.

With a small number of staff and a strong volunteer force, we realise that with hard work, support and faith we can together make a difference in this world!

International Needs Australia is committed to the creation of a just world, where all people are allowed respect, dignity and the opportunity to fulfil their life's potential.

Just Like Me...

International Needs has launched an exciting teaching resource! 'Just Like Me' takes children to three developing countries where they learn what a day in the life of a child is like. Included in the teacher's pack you receive a teacher's resource, blackline masters, action cards and DVDs!

For only \$27.95 this pack can be yours! For more information go to the website at www.justlikeme.org.au.

World Changers...

World Changers is International Needs Australia's volunteer network. It comprises of people who have a real heart to make a difference in this world. If you're young, old, a student, a worker, unemployed or retired, we would love for you to get involved! Contact us for more information or a chat.

International Needs Australia has full AusAID accreditation and is an ACFID 'Code of Conduct' signatory.

Providing Structure...

Make a difference with International Needs Community Development Sponsorship.

Why Sponsor Community Development?

Communities around the world in developing countries are filled with people who are looking for and needing a better way of life. Some have dirty and unsanitary drinking water, which is one of the main causes of serious illness and death. Others have poor housing, little or no medical facilities, inadequate or no schools, no toilet and hygiene facilities, and no where for safe food preparation. They usually have no way to earn a reliable income.

You Can Help...

Sponsoring a community for gives you the knowledge that you are helping to build not only facilities and buildings, but also lives. Imagine a world without a home, a toilet, a school, a work place or a doctor to go to. \$25 per month is only a suggested amount.

If you would like to give more or less to develop communities around the world, the choice of an amount is yours!

Community Development

Building a Life...

Make a difference with International Needs Child Sponsorship.

Why Sponsor Children?

Each year in the developing world, 10 million children under five, die from preventable diseases and malnutrition. Lack of food, access to clean water, healthcare and education, basic human rights we take for granted, are denied to millions of the world's poorest children.

You Can Help...

Sponsoring a child for only \$39 per month will support them and give them the chance of a brighter future. Provision of education and resources to remain at school impacts their families, and ultimately communities.

'...My heart is filled with joy writing to you dears...God has been on our side that is why we are alive and health. Thanks for being part of me and my family...The holiday was good and I took care of my chicken, duck and a pig. It was nice seeing them feed. I hope they will grow well and get some money for home use. I enjoyed Christmas...I hope yours was good. Bye dears.' -Frank, age 10, Uganda.

Giving Hope...

Make a difference with International Needs Women's Empowerment Sponsorship.

Why Sponsor Women?

Millions of women around the world have to live in extreme poverty and experience gender based violence and discrimination on a daily basis. Some young girls and women are forced into modern day slavery, and it is here they face horrific living conditions such as physical abuse, psychological abuse, oppression, exploitation, and a life of drudgery.

You Can Help...

Women are key elements in society and act as catalysts for the health and safety of children and families. Through empowering women within communities, lives can be changed, and this is something that you can be a part of!

A Women's Empowerment Sponsorship will support women around the globe! Help them find confidence, gain an education, learn life skills, gain access to health care, heal from the pain, and most importantly...create a bright and sustainable future for themselves and their family!
